Use Type: (P) = Permitted Use (SU) = Special Use Requiring Approval from the Planning Board

For office and research uses, the Planning Board, at its discretion, may approve up to sixty-five-percent development coverage, provided the applicant submits a stormwater management plan which shall control stormwater by infiltration methods or other best management practices and incorporates water quality protection measures in a manner acceptable to the Planning Board. The Planning Board shall also require appropriate landscaping to mitigate potential visual impacts associated with large expanses of impervious surfaces.
